Do you wake up in the morning excited to come to work? Are you valued as an employee? As a person? Do you feel part of the company as a whole? Sadly, this does not happen in many cases.

The mission of the American Business Women's Association is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support, and national recognition.

Greater Oakland Charter Chapter

Join the Greater Oakland Charter Chapter of ABWA on Tuesday, April 26th for networking followed by a presentation by special guest, Mary Ceccanese, Owner & Principal Consultant of Dynamic Connections LLC. Celebrating almost 15 years of presenting interactive seminars and workshops to all levels of staff in both for-profit and non-profit organizations, she engages attendees with research-based practices applied to work-life scenarios.

Through stories, ideas, research, and activities, this program will provide FOUR FUSES on how to create positive change at work when you are not a key decision maker.

The staff in most organizations create the fuel that launches companies forward. Let's explore how to make small changes that can take an organization to new heights.

This is a hybrid meeting. In-person attendees will select their dinner choice upon arrival and are responsible for the cost of their food and drink, including tax and tip.

Cost to attend virtually (using Zoom) is free.
